

Arts in Education

Spring 2024

If you've ever seen a child's face while watching their first live performance, you know. Their excitement is palpable. The lights go down, their eyes get wide, the big curtain goes up, a hush falls on the auditorium, the show begins...

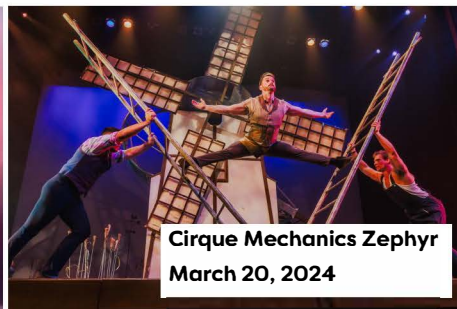

As we prepare to relaunch a renewed Arts in Education Program we are excited to be offering three special performances for students this Spring 2024. These performances are being offered free of charge for students in the Lucia Mar School District, and at a subsidized price for others, but we need your help.

Arts in Education is an important component of the Clark Center's mission to inspire, entertain, and educate our community through the power of cultural and performing arts. "Bring your ideas and your imagination and let us show you the world!" For many of the children who will attend, this will be their first experience in a professional theater setting. For many, the experience is life-changing, opening their imaginations in ways they never knew could exist. Please consider making a donation to help us offset our operating costs. Your contributions are tax-deductible and we will provide recognition through stage announcements, social and digital media, lobby signs, and more.

2024 Season Sponsor: \$3000 ~ Sponsor all three performances
